

CRAFTED FOR THOSE WHO SEEK THE BEST

Signature Lux

Developed for the best of the best. Each and every process has been refined and focused for luxury goods and craftsmanship. The yarn for the zipper tape was chosen to be soft and enriching when touching your hand. The zipper teeth are individually stamped and polished. The components are individually cast in special precision molds and then hand polished. Signature Lux was developed with a passion and dedication for excellence.

Signature Lux Symmetrical: Similar to our Signature Lux but with symmetrical teeth
